I don't wanna hear your voice  
I don't wanna hear your voice  
So I'll destroy everything  
I don't wanna show my tearful face anymore  
I don't wanna show my tearful face anymore  
Where am I headed? "Utopia"

Starting with mornings via a cathode ray tube it's all so  
worthless!

Don't force a DISCUSSION down my throat!  
Are these modern MORALS?  
Are money and status people's only values?  
Flying past each other in the streets, constantly  
changing places,  
"affection" and "trust" based only on appearances,  
I'm sick of it. Worthless kindness,  
that's the disgraceful reality

[or]Alive[or]Dead[ ] Losing our whereabouts  
[or]Alive[or]Dead[ ] Falling apart

[or]Alive[or]Dead[ ] Losing our whereabouts  
[or]Alive[or]Dead[ ] Can you really smile?

I don't wanna hear your voice  
I don't wanna hear your voice  
So I'll destroy everything  
I don't wanna show my tearful face anymore  
I don't wanna show my tearful face anymore  
Where am I headed? "Utopia"

So many times, so many times I ran away  
from the reality in front of my eyes,  
So many times, so many times I doubted  
whether I could live in this kind of world

(I'm gonna come torment you, saying it's all your fault!  
In the end what do want to say?  
You're full of contradictions!  
It's all your fault,  
you bastards)

[or]Alive[or]Dead[ ] Driven into a corner  
[or]Alive[or]Dead[ ] It hurtsâ€¦

It's a heartless "love", isn't it?  
I get it nowâ€¦  
everything I've seen so far was a fake, right?

I don't wanna live in this world anymore  
I don't wanna live in this world anymore  
So I'll destroy everything  
I don't wanna show my tearful face anymore  
I don't wanna show my tearful face anymore  
What do I want to do? Get out of my sight

So many times, so many times I hated the reality in  
front of me  
I ran away so many times, so many times, can I live in  
this kind of world?

I'll destroy everything in this rotten worldâ€¦
