Stop stalling make a name for yourself  
Boy you better put that pen to paper, charm your way  
out  
If you talk you better walk you better back your shit up  
With more than good hooks while you're all under the  
gun  
Start talking "a sensationalist"  
Oh he's slightly clever to just a certain extent  
If you talk you better walk you better keep your mouth  
shut  
With more than good hooks while you're all under the  
gun

(Panic! meet the press)  
It's time for us to take a chance  
It's time for us to take a chance  
(Panic! meet the press)  
It's time for us to take a chance  
It's time for us...

Well we're just a wet dream for the webzine  
Make us it, make us hip, make us scene  
Or, shrug us off your shoulders  
Don't approve a single word that we wrote

Well we're just a wet dream for the webzine  
Make us it, make us hip, make us scene  
Or, shrug us off your shoulders  
Don't approve a single word that we wrote

I'm burning and I'm blacking my lungs  
Boy you know it feels good with fire back on your  
tongue  
If you talk you better walk you better back your shit up  
with more than good hooks while you're all under the  
gun  
Start talking "a sensationalist"  
Only slightly clever, to just a certain extent  
Well keep quiet! Let us sing like the doves  
Then decide if it's done with purpose or lack thereof

Just for the record,  
The weather today is slightly sarcastic with a good  
chance of...  
A. Indifference or  
B. Disinterest in what the critics say

It's time for us to take a chance  
It's time for us...

la dadadadadadada la dadadadada whoa whoa
