A rainy day. A perfect time for romance and you...

Curtains of raindrops falling
People in town are strolling
Strange faces brought together
Chased in by stormy weather

Revealing a lovely face
So beautifully rapped in lace
Made me much more aware
The rain was there to bring her near me

Suddenly we start walking
There is really no need for talking
One look in her eyes of splendor
She smiles and I surrender

We're out in the rain
We kiss and then I hold her near me

A rainy day
A perfect time for romance
A perfect time for romance and you
