I'm gonna wait till the midnight hour  
That's when my love comes tumblin' down  
I'm gonna wait till the midnight hour  
When there's nobody else around

I'm gonna take you girl and hold you  
And do all the things I told you  
In the midnight hour

I'm gonna hold you in my arms  
And see that twinkle in your eyes  
I'm gonna wait, wait till the midnight hour  
That's when my love, begin to shine

You're the only girl that I know  
Really love me so  
In the midnight hour

I'm gonna wait till the midnight hour baby  
That's when my love come tumblin' down  
I'm gonna wait till the midnight hour my love  
When there's no one else around  
only you and I, just you an I

I'm gonna hold you in my arms  
In the midnight hour  
In the midnight hour

Nobody around us, nobody bother us  
No [Incomprehensible]  
Just you and I

Got to wait till the midnight hour  
That's when my love come tumblin' down  
Gonna wait, wait till the midnight hour baby  
When there's nobody, nobody around  
Just you an I

Nobody around, just you and I, baby  
And I'm gonna hold you, hold you, hold you, hold you  
Squeeze you, squeeze you, I need you, love you baby  
[Incomprehensible]
