What you know about love?
I know love is out of sight
What you know about life?
I think life can be so nice
If I find somebody
What you think will happen to me?

You find a love is a beautiful thing
You teach her heart to sing
The kind of thing that makes you crazy
Makes you wanna swing

How can you tell you got it?
You feel it right in your heart
Where should I get on?
It's never too soon to start
And I've gotta find somebody
To prove what you're tellin' me

They say that love is a beautiful thing
It can teach your heart to sing
The kind of thing that makes you crazy
Makes you wanna swing, go get it now

In a while, hey

What you think about that?
Well, I think it's kinda nice
Man, they're really out of sight
I'm glad I took your advice
'Cause I went in and got somebody
To prove what you said was true

I know that love is a beautiful thing
Can teach your heart to sing
The kind of thing that makes you crazy
Makes you wanna swing

Love is a beautiful thing
Love is a beautiful thing
