"I See Moe"

Visit "[I See Moe](#)" on MotoLyrics.com

I see Moe, I see Moe
Sometimes when I look in the mirror
I see Moe

I'm alone, I'm all alone
But I never see Larry or Curly
I just see Moe

I don't know what's wrong, Moe is dead and gone
But part of him lives on in me

Now I got friend, yeah that's for sure
But Larry and Curly don't come around much anymore

I don't know what's wrong, Moe is dead and gone
But part of him lives on in me

And I see Moe, I see Moe
Sometimes when I look in the mirror
I see Moe
