### "Pray For Rain"

Cold in your eyes from a lone cloud in a clear sky  
Sparkle in your mind  
Lights from on high

Oh, and nothing is the way you want things  
But you fail to take it all and call  
And call

Don't call for love  
Don't ask for gold  
Our daily bread  
Or no more pain  
Pray for rain

Don't call for love  
Don't ask for gold  
Or no more pain  
Pray for rain

See how it all goes away when the wind blows  
Never call again cause no one listened
