"Why Do The Heathen Rage"

Fallen idol keep me sane, bless me for my righteous
ways
Manacled by fates decree, salvation for the sane
Many rise up in his name, strike the proper page
Why do the heathen rage

Trust a man of unknown origin, paraclete with shifty
eyes
When the Jews return to Zion and the comet rips the
skies

May rise up in his name, strike the proper page
Why do the heathen rage

But for the grace of God, there go you and I
History will be repaid when judgment burns on every
page
Why do the heathen rage

May rise up in his name strike the proper page
Why do the heathen rage
