One look at you and I can't disguise
I've got hungry eyes
I feel the magic between you and I

I've been meaning to tell you
I've got this feelin' that won't subside
I look at you and I fantasize
You're mine tonight
Now I've got you in my sights

With these hungry eyes
One look at you and I can't disguise
I've got hungry eyes
I feel the magic between you and I
You and I

I wanna hold you so hear me out
I wanna show you what love's all about
Darlin' tonight
Now I've got you in my sights

With these hungry eyes
One look at you and I can't disguise
I've got hungry eyes
I feel the magic between you and I

I've got hungry eyes
Now I've got you in my sights
With these hungry eyes
Now did I take you by surprise

Now I've got you got you in my sights
I need you to see
One look at you and I can't disguise
This love was meant to be

Hungry eyes

I feel the magic between you and I

Hungry eyes

I've got hungry eyes
I feel the magic between you and I
I've got hungry eyes
Now I've got you got you in my sights
With these hungry eyes
Now did I take you by surprise

Hungry eyes
