[Why] (x5), does it feel, so incredible?
(Why?)

Ain't life a trip?
It's when you miss and that's where ***
You stepped out of a dream
and you changed everything

The *** lip, you took me here
[and the moment I saw your face] (x2)
But somehow I always knew
that I'd been waiting for you

[Refrain]
(Tell - tell - tell me why,)
Why, does it feel, so incredible
when you're smiling at me?
You're so beautiful
I've been searching for all of my life
for the love I can see in your eyes
And you're all that I need,
So incredible

Looking my hands, shaking like mad
I love what you do to me;
It's like I've got no control
It's strange and it's wonderful
I only regret that I was ***
(Love time I)? hurt before
'Cause I (only hurt a love)?
til you showed me what it was

[Refrain]

Don't you be scared, girl
Less *** tears (you're down)? your face
((down)? your face)?
It's not every day you feel your heart on break and

Tell me, why, does it feel, so incredible
when you're smiling at me?

You're so beautiful
I've been searching for all of my life
for the love I can see in your eyes
I can finally breathe
This is wild, this is real
This is all, I can feel
You're incredible.
