Take me higher
Take me higher
Take me higher
Take me higher
Take me higher
Take me higher
Take me higher
Take me higher
Take me higher
Now hear this!
I can't believe in feeling
I can't believe in feeling
I can't I can't
I can't believe in feeling
You send me
You take me higher
Take me higher
Now enough respect to all the masses!
In my brain
In my brain
In my brain
In my brain
In my brain
In my brain
Now hear this!
Now hear this!
In my brain
In my brain
Now hear this!
In my brain
In my brain
