Got my own car and my own crib
Got my got my own car and my own crib
I see I see why you want me to meet ya mama then
I see I see why you want me to meet ya mama then

I got a 6 figure job. 6 room crib.
6 carat bracelet shinin on my wrist
I drive a nice car. I pay my own bills
So anything I want I can buy it at will.
Ain't no need to flex homeboy I keep it real.
If you can't keep up
Than you might as well chill.
When it come to a man
I look for a team playa
Not a sorry ass thinkin that
Rasheeda gonna pay ya
See I ain't got no time for this
Sexy and I'm confident
Bottom line
I'm a strong bonafide hustle chick
A bonafide hustle chick?
A.K.A. a boss bitch
Call me independent cause
Yep I got my own cheese
Come on.
I can get my needs and he can get my whoa
So if he geta trippin
I ain't sittin here broke
Your girls on deck
Call me the creme de la creme
Da type u wanna take to meet ya mama daaa

Got my own car and my own crib
Got my got my own car and my own crib
I see I see why you want me to meet ya mama then

I showed him da buisness
And he fall so deep
Then cook a good meal put his ass right to sleep
He want me on his arm
Like a piece of jewelry
Cause I hold the fort down
Like I'm in the aRmy
Now all he wanna do is introduce her to me
And let his niggas know I'm his future wifey.
I ain't for da games dis is how it's gon be
You can be my trick and I can be your treat
You can be my trick and I can be your treat
A.K.A your pastry cause I be so sweet
I'm the one who make them otha chicks obsolete
