Visit "[Off da Chain](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Every time we hit the club the shit's off da chain  
Better believe it shawty  
I'm at the bar callin' yo name  
Squeekin', big ballin', flossin'

See me in the club nigga iced out  
Or meet me at the bar shawty, let's ball out  
Ohh, you's a big money nigga who goes all out  
Well, let's do this damn thang till we fall out

Niggaz say I'm too hype and hoes hate cause they flaw  
This number one rap bitch spittin' nothin' but the raw  
You menstruatn', frustrated, keep yo most anticipated  
Flossed out in the club while most of y'all fakin'  
Ain't no mistakin' how we do it so you gotta show me  
love

Pop the bottle, crack the blunt and now we smokin' on a  
dub  
Sassy bitch, classy bitch might be on some pimp shit  
Where my money nigga, no time for games you got's  
to dip  
'Cause I'm a regulator, original game playa  
Fuck a hoe, I'm Mrs. Captain Save A Nigga Day-a  
Nigga playa, own stash off the rip

Make my gun "Blocka-blocka" if a nigga trip  
'Cause I'm the regular, you ain't no competitor  
So back up wack trick, you better duck  
Rasheeda world and I take it how I give it  
This unstoppable bitch don't talk it, she live it

Every time we hit the club the shit's off da chain  
Better believe it shawty  
I'm at the bar callin' yo name  
Squeekin', big ballin', flossin'

See me in the club nigga iced out  
Or meet me at the bar shawty, let's ball out  
Ohh, you's a big money nigga who goes all out  
Well, let's do this damn thang till we fall out

This ice tray wrapped around my wrist, look at me  
Gettin' hi as hell, drunk as a bitch, look at me  
Man I'm feelin' like a million bucks, look at me  
Niggaz hatin' but I don't give a fuck, please believe it

I push a Jag 2-G sittin' on some O's  
(Sittin' on some O's)  
Bitches be up on my dick like brand new clothes  
(Like brand new clothes)  
I wanna be seen with you up in the Pocono's  
(No)

You'll be in the jeep takin' off yo clothes  
(Uh-huh)  
Bitch make a nigga rich or somethin'  
(Biatch)  
(Rich or somethin')  
I don't give a fuck you ain't in my clique or nothin'  
(Clique or nothin')

I don't like to cake hoes, I break hoes  
It's all about the peso's and I make those  
You don't know about the hoes I toss  
You don't know about the thangs I floss  
Welcome to the land where .44's explode on broke  
hoes  
[Unverified] I keep every bitch in broke mode

Every time we hit the club the shit's off da chain  
Better believe it shawty  
I'm at the bar callin' yo name  
Squeekin', big ballin', flossin'

See me in the club nigga iced out  
Or meet me at the bar shawty, let's ball out  
Ohh, you's a big money nigga who goes all out  
Well, let's do this damn thang till we fall out

Got niggaz in my grill like whoa  
'Cause I rock a show the club outta control  
Boy you want the digits, I told him hell No  
'Cause you got the 4, I got the S-50-50  
Quit the flow, don't even ask, then go on with it  
Nasty attitude so you know you can't hit it

Just forget it, I got my mind on my shine  
Labeled most hated bitch in 1999  
Now it's 2-G, got hoes scared to drop they shit  
I'll put my foot off in yo ass and I'll stomp that shit  
Lock that shit, hit the spot and rock that shit

I'm on a mission and you wishin' you could stop my shit  
My momma told me, "Whatever you do, stack the  
dough"  
Don't ever fall behind no playa hatin' hoe  
And that's for sho', you got's to be the trillest of the trill  
Realest of the real, my nigga what the deal huh?

Every time we hit the club the shit's off da chain  
Better believe it shawty  
I'm at the bar callin' yo name  
Squeekin', big ballin', flossin'

See me in the club nigga iced out  
Or meet me at the bar shawty, let's ball out  
Ohh, you's a big money nigga who goes all out  
Well, let's do this damn thang till we fall out

Every time we hit the club the shit's off da chain  
Better believe it shawty  
I'm at the bar callin' yo name  
Squeekin', big ballin', flossin'

See me in the club nigga iced out  
Or meet me at the bar shawty, let's ball out  
Ohh, you's a big money nigga who goes all out  
Well, let's do this damn thang till we fall out
