[Intro] Shhhhh. Close your eyes. Game over. Bitch
[Chorus: x4] Eyes closed, hold your breath And get the
kiss of death [Verse One] Maybe I'm the black sheep of
rap Snuck in V.I.P. Making records to kill a nigga like I'm
Chi Ali Tongue kiss, spit spread, epidemic plague
Swung miss, hit bled, you're better off dead The sperm
that created you shoulda been head Or shoulda been
that nasty running down your mother's leg These
bustas can't stand me Wanna hostage my family like
Marcus Camby But God damn we, some boss players
Homey's east, south, west Hottest 97 single So next
time Funk Flex Drop a bomb to what you said Your baby
son will drop a shitty diaper on your head From the
bunk bed y'all share [Chorus] [Verse Two] Like Good
riddance Everything written is guillotine And leave a
nigga lookin' like Grenadine Got a bitch from the
Philippines with an emerald nose ring Masturbatin' with
a magazine Ohh-we! When we parlay [French] Spit
venom Hood felon Put cowards to sleep Get your girl
sprung Fantasize to me and touch her pearl tongue
Swerve on Pick the seeds Sip this OJ Slow-ly Got her wet
from the fore play Ohh Lay! Lick my earlobe, nibble my
diamond Pillow talk, heat of the moment You know I'm
lyin' Peggin' me to stay, started cryin' I'm flyin' Speedy
Gonzales Iceberg and banana Kobe Bryant [Chorus]
