Hallelujah when I do ya

Verse One:

Shit, I ain't never seen an angel, virgins with halos  
But my secular metaphysical theology is fatal  
Because me with a mic cable is a religious experience  
in itself  
I got a message from God  
He said, "Don't even try to fuck with me," suckered  
reluctantly  
Carried the cross and uppercuts and at that, I'm  
hazardous  
I speak to the heads and raise the dead like Lazarus  
Led the fucking lambs to the slaughter, and walked on  
water  
When it's frozen, in the ground influence and I'm on  
point  
like the unicorn and you need a form, to bring rains  
to Desert Storm for 40 days and 39 nights  
So my cerebral flows flood the Earth with a, megahertz  
And the first shall be last and the last shall be first  
Reciting a biblical verse before I make your melon burst  
Like that nigga Jules from Pulp Fiction  
My salvation is salivation, and diction crucifixion  
It's a blessing just to live another day they say  
Because the Lord giveth, and the Lord taketh away  
So my niggaz pray five times a day and still  
carry a Trey-Five-Seven (On Earth, As It Is In Heaven)

Chorus:

(On the planet) Earth, it was my place of birth  
Born to be the sole controller, of the universe  
Drinking with the Lord and shoot dice with Christ  
Hitting seven, On Earth, As It Is In Heaven

Verse Two:

Feeling like a cock, cause I be talking to a burning bush  
But I'm not knowing till I fornicated with the hoe and

caught the claps so, my first communion consists of  
bread and wine and dioxycill in one-hundred milligram  
capsules

Let the commandments begin again

Cause just like Moses on Mount Sinai, I broke all ten  
For the believing, in the evening, when I covet my  
neighbors wife

I do dirt and get works to reap life, victimize  
and give us this day to make our daily bread  
Cause if I'm broke I'm serving cavvy in Bethlehem  
Or selling my soul to Satan, six figure record deal  
protection's my religious denomination, B.C.

I be the coming like when Mary's water broke  
So let there be light, so niggaz can see I rock mics  
religiously

Those who believe ye shall receive

But non-believers, you niggaz doubt my existence like  
agnostics

The hostile gospel, I apostle, with epistles from  
speaking in tongues,  
but God sewed up and gave his only begotten Son  
to set it on niggaz, blowing backwards bastards to  
Kingdom Come

And knowing the Judas in my crew

So do unto others before they do unto you

Like Rastas heads be dreadin

Phoenetic armageddeon (On Earth, As It Is In Heaven)

Chorus

Verse Three:

I hit the planet like a plague

The Book of Revelations red dragon with ten horns and  
seven heads

and seven crowns skills concealed until the Seventh  
Seal revealed

to fulfill prophecy

From D.C. to AC/DC radio receivers

The messiah comes back igniting the fever in the rap  
world game

(The hit after) The three headed raptor, is after

You hear the HemisFear trinity raps rap to you Babylon  
fires

Cause thou shalt not worship for sire

Just like David guillotined philistines even God is  
homicidal

Fucking these kids like catholic priests after mass  
Pubic hair of lamb's wool, and feet of burned brass

That I can put up in your platinum ass son

Instead I arrive the Golden Child, every knee shall bow

when the divine styler is speaking in parables  
Like old baptist churches I'm getting old bitches  
hysterical  
HALLELUJAH! Praise be to Mamadullah, I blew God and  
not  
another nigga hotter, believe that Meshach  
The hip-hop martyr who sacrificed and gave my life  
But got 4Pac, so I'm livin the Thug Life in the afterlife  
Then I be walking through the pearly gates  
with an infared scope ten millimeter heater  
'cause if my name ain't in the Book of Life I'm snuffing  
St. Peter  
Drinking the blood of Jesus Christ and pissing holy  
water  
no QUESTION who can come cleaner  
M-D-C plus M-I-C equals holy B-I-B-L-E to me  
Matrimony is getting head but I refuse to break bread  
with Jezebels, my management already gets twenty  
percent  
so fuck tieing, go to Hell  
I'd rather continue backsliding  
You're not from the tribe of Judah, so why you lying?  
Come watch the Zion, I'm signifying  
the next shit to wreck shit and see the Exodus

Chorus
