[Intro: Ras Kass]
Yeah ah ah Yeah Is ya with me
what up y'all forget me y'all love y'all don't love me no
more it's all good
all are real roudy niggaz all my real niggaz ride with
your boy one time

[Verse One: Ras Kass]
Lyrically I smoke who ever it may concern
Even wearing a twenty one milligram pack a nigga
derm
Been broke before ain't nuttin new
But ain't nuttin ever new me not to say fuck you
So have my nuts not grew
I would still hang in the streets with little niggaz who is
to bangish to eat
Bang with the heat the water proof spit blazes
To give y'all niggaz business like the yellow pages
Enter the dark ages, inteds, spark stages for what ever
wages
Untill I am famous for resurection on hated language
And still the same shit different toilet
See the game ain't talented (unt uh) it's a battle
scandle in it
And now them same clowns made at it (pimp game)
But go figure lyricsist of the year is a white boy
and greatest godfather is a huge nigga

[Chorus: Ras Kass]
And that's gangsta without bangin the set
Big nuts on debt ain't even hangin'em yet
See it's just some things they should never forget
Ain't no mother fucking west without a r-a-s
And that's gangsta without bangin the set
Big nuts on debt ain't even hangin'em yet
See it's just some things they should never forget
Ain't no mother fucking west without a r-a-s

[Verse Two: Ras Kass]

I was forced to rhyme undeniably and force niggaz to
think

So if you need to dance so fucking much then buy
N'Sync

Start a movement to move in motavation
of millimeter mantra repeat you need a monster
Me I be the aqua, "Waterproof" got a lo
