There were times in my life I was down on my knees,  
now it's over  
Deep inside my heart I know  
Simply put I've been stabbed in the back ever since I  
remember  
And deep inside it hurt to let go, woah

I'm back in the picture  
Back in the picture  
I wonder what took so long  
So long

I'm back in the picture  
Back in the picture  
I wonder what took so long  
So long, so long

Dedicate everything I create to my friends I would die  
for  
But you will always be the one  
Memories that you can't overrun, memories I could cry  
for  
I thought I'd always be on the run, woah

Back in the picture  
Back in the picture  
I wonder what took so long  
So long

Back in the picture  
I'm back in the picture  
I wonder what took so long  
So long, so long

There were times in my life I was down on my knees,  
now it's over  
Deep inside my heart I know, woah

I'm back in the picture  
Back in the picture  
I wonder what took so long  
So long

I'm back in the picture  
Back in the picture  
I wonder what took so long  
So long, so long  
Took so long, so long
