Groove it up, it's Friday night
Time to have some fun, alright
To know what's up
I gotta reach an' pick up the phone

Yeah, the answer's always Mick
My favorite band is having a gig
What could be better idea
Than to go to the club

Listen to me boy, you have
To be 18 to get inside
An' there will be no talk
About exceptions this time

Yeah, not this time, not this time, yeah

Damn that I wanna see this band
I'll be good, you understand
This is a moment of my life
That I can't let go

I'm stealing in, it always works
Yeah, I know how to bluff those jerks
I can't hide my wide smile
When I think of his words

Listen to me boy, you have
To be 18 to get inside
An' there will be no talk
About exceptions this time

No, not this time, not this time, yeah
Not this time
