Don't let go
Don't let go
Don't let go

Holding my breath as I walk to your garden
Everything seems so abandoned
Roses have grown just as high as a mountain
Fireflies glow in the dark

Don't let go now
(Don't let go)
Somebody's lying

Everyone came to the final revival
It's been a year since we've been here
The spell has been cast to welcome the arrival
The phantom of silence is near

Don't let go now
(Don't let go)
Your garden is dying

These wounds won't heal
(Don't let go)
Somebody's lying

Break the spell of emptiness
And thousand years of loneliness
Bless the path of righteousness
And walk the trails of holiness

Your garden is dying
Somebody's lying

Don't let go now
(Don't let go)
Your garden is dying

These wounds won't heal
(Don't let go)
Somebody's lying

Don't let go now
(Don't let go)
Your garden is dying

These wounds won't heal
(Don't let go)
Somebody's lying

Oh oh oh oh
(Don't let go)
Your garden is dying

Oh oh oh oh
(Don't let go)
Somebody's lying

Ah ah ah ah
One of us is lying
Ah ah ah ah ah
