I don't wanna feel anything today
(I don't wanna feel anything today)
Anything at all I'll just be alone
(I just wanna know that you wanna know)

I don't wanna live through another day
(I don't wanna live through another day)
Meaningless to fight for the victory
I just wanna dive in the heart of misery

One love
(One love)
One life
(One life)
Locked me in the heart of misery

One loss
(One loss)
One fight
(One fight)
Locked me in the heart of misery

I will never be anything again
(I will never be anything again)
I'm tired to give I don't wanna try
(I'm afraid to live, I'm afraid to die)

I just wanna fly throw it all away
(I just wanna fly throw it all away)
Meaningless to fight for your sympathy
I just wanna drown in the heart of misery

One love
(One love)
One life
(One life)
Locked me in the heart of misery

One loss
(One loss)
One fight
(One fight)

Locked me in the heart of misery

One man forgot to breathe
One heart refused to beat
One love is incomplete
One loss

One life
Locked me in the heart of misery
One loss, one fight
Locked me in the heart of misery

One love
(One love)
One life
(One life)
Locked me in the heart of misery

One loss
(One loss)
One fight
(One fight)
Locked me in the heart of misery

Ah ah ah ah ah ah
In the heart of misery
Ah ah ah ah ah ah
In the heart of misery
