Whoa  
Whoa

Feel the heat below my feet  
I have to go, no time to sleep  
Can't believe the things you say  
I turn my head and walk away  
You make me sick  
You make me nervous

Times have gone when you would say  
This is the one and seize the day  
Times have gone for honesty  
My victory is your defeat  
But can't you see you've been mistaken?

In my life I decide and it turns me on  
How I am, how I live, who I love, yeah  
In my way I've been strong and it turns me on  
In my life I decide, I decide, I decide  
I decide

All you do, you can't deny  
It's waste of time  
(Waste of time)  
Can I suggest that you invest  
In something more than hopelessness?  
Before you know the ride is over

In my life I decide and it turns me on  
How I am, how I live, who I love, yeah  
In my way I've been strong and it turns me on  
In my life I decide, I decide

It's up to you if you give it up  
It's up to you if you won't stop  
(Won't stop)  
It's up to you if you give it up  
It's up to you if you won't stop  
(Won't stop)  
It's up to you if you give it up, give it up  
It's up to you if you won't stop

(Won't stop)  
It's up to you if you give it up, give it up  
It's up to you  
It's up to you

The record shows that you're dead but you're still livin'  
Every time you have died you have been given  
Another chance to fix your bad attitude  
And make a move  
It's up to you

It's up to you to give it up, give it up  
It's up to you if we give it up, give it up  
It's up to you if we give it up, give it up  
It's up to you, It's up to you, you  
Give it up, give it up  
Give it up, give it up  
Give it up, give it up  
Give it up, give it up
