Would you please, would you please help Mr. Jailer
I better get out of this place and soon
Don't know how to sleep at night, yeah you say it's
alright
But it's not, no no no no
You know, I'm a little bit scared of yo

Well it's a fact, well it's a real fact
That just about every guy in this prison hates me
C'mon, give me the key set me free, set me free
You know me, you know me, ha

You don't have to be sorry, you just listen to my story
I would never hurt ya, I would never touch ya, with my
finger
I will leave your family alone, I will never pull a dog's
tail
I will never come back

Are you ever gonna feel like me?
I'm not fine
Are you ever gonna feel like me?
I'm not fine
Are you ever gonna feel like me?

Imagine yourself in this cell, in this situation
You don't care, you don't see things, yeah
How would you react, if you were me? Would you like to
be free?
Hey, you have got a key to the lock of my door

Together, we can make things better
If you wanna do something good, let me go back to the
hood
With my men
Oh God, that I miss them

I'll get back to the picture
See my homies again
I'll be good by my nature
Please Mr. Jailer, Mr. Failer whatever ah

I'm not fine
Are you ever gonna feel like me?
I'm not fine
Are you ever gonna feel like me?

I'm not fine
Are you ever gonna feel like me?
I'm not fine
Are you ever gonna feel like me?

Are you ever gonna feel like me?
Are you ever gonna feel like me?
Are you ever gonna feel like me?
