I go solid when you come around and I know
I go silent but don't get me wrong, time will show
I love to watch you when you mess around with my
mind
I'm pathetic but only this time, but who knows...

Do, do, do, do, dooo, dooo, dooo, oooh.....

Never gonna let you call me
Never gonna let you fool me, oh no
If it's the love that we live for how come I didn't know
Help me out

I go solid when you come around and I know
I'm silent but don't get me wrong, time will show
I love to watch you when you mess around, oh, with my
mind
I'm pathetic but only this time, but who knows, but is
right...

Do, do, do, do, dooo, dooo, dooo, oooh.....
Never gonna let you call me
Never gonna let you fool me, oh no
If it's the love that we live for how come I didn't know
Easily now

Do, do, do, do, ahh, oooh, oooh, oooh.....

Never gonna let you call me
Never gonna let you fool me, oh no
If it's the love that we live for how come I didn't know
Its an easy way out
