Its hard to believe that it came to this
You paralysed my body with a poison kiss
For 40 days and nights I was chained to your bed
You thought that was the end of the story
Something inside me called freedom came alive
Living in a world without you

You told me my darling
Without me you're nothing
You taught me to look in your eyes
And fed me your sweet lies

Suddenly someone will stare in the window
Looking outside at the sky that had never been blue
Oh there's a world without you
I see the light
Living in a world without you
Oh there is hope to guide me
I will survive
Living in a world without you

Its hard to believe that it came to this
You paralysed my body with a poison kiss
For 40 days and nights I was chained to your bed
You thought that was the end of the story
Something inside me called freedom came alive
Living in a world without you

You put me together
Then trashed me for pleasure
You used me again and again
Abused me, confused me

Suddenly naked I run through your garden
Right through the gates of the past and I'm finally free
Oh there's a world without you
I see the light
Living in a world without you
Oh there is hope to guide me
I will survive
Living in a world without you

Its hard to believe that it came to this
You paralysed my body with a poison kiss
For 40 days and nights I was chained to your bed
You thought that was the end of the story
Something inside me called freedom came alive
Living in a world without you

Its hard to believe that it came to this
You paralysed my body with a poison kiss
For 40 days and nights I was chained to your bed
You thought that was the end of the story
Something inside me called freedom came alive
Living in a world without you

Oh there's a world without you
I see the light
Living in a world without you
Oh there is hope beside me
I will survive
Living in a world without you
Living in a world without you
Living in a world without you
Living in a world without you
Living in a world without you
