I spin around and find myself again  
With thought I'm just a man in the street  
You check it out another look alike but he's not me

I know the places know the faces  
And I know the fact that the action is to go  
I'm satisfied with the tempo of the night, oh, can't you see?

Lights are blinking and I'm thinking  
That I'm sinking into the groove of the night  
You hang around with me and I'll let you know  
That things that we can do a place that we can go

When the world is in her hands, every thing's complete  
When the world is in her hands, it's everything I need  
She loves you all the same, though black turns to white  
Oh yeah, she's generating love

Don't have to answer, I'll find another dancer  
I'm a man in the street

To get your daily satisfaction  
You got to be greedy, no time to settle down  
No time to push myself around, yeah  
I'm satisfied with the tempo of the night, oh, can't you see?

Once again I've got a feeling  
That I'm dealing with the groove of the night  
Every move she does is generating her  
It's in her veins, it's in her blood

When the world is in her hands, everything's complete  
When the world is in her hands, it's everything I need  
She loves you all the same, though black turns to white  
Oh yeah, she's generating love

Am I say once again I've got a feeling  
That I'm dealing with the groove of the night, yeah,  
that's right  
Every move she does is generating love

It's in her veins, it's in her blood, yeah

When the world is in her hands, everything's complete  
When the world is in her hands, it's everything I need  
She loves you all the same, though black turns to white  
Oh, yeah, she's generating love

When the world is in her hands, everything's complete  
When the world is in her hands, it's everything I need  
She loves you all the same, though black turns to white  
Oh yeah, she's generating love
