Night After Night (Out of the Shadows)  
Heaven sent you to bring the answer  
Heaven sent you to cure this cancer  
For a moment unbeatable chance.  
For a moment the world in my hands  
Like an angel you came  
Everytime when I prayed  
Guardian of my dreams  
Watching me when I sleep  
Like an angel you came  
Everytime when I screamed  
Time after time I lose again  
Night after night I wake up shaking  
'Cause my world is breaking  
I'm fool enough to fail again  
Night after night I wake up crying  
'Cause I feel like dying  
Still disconnected  
And unprotected  
Still I'm haunted  
But unwanted  
For a moment  
Unbreakable stars  
For a moment  
You stayed in my arms  
Like an angel you came  
Everytime when I prayed  
Guardian of my dreams  
Watching me when I sleep  
Like an angel you came  
Everytime when I screamed  
Time after time I lose again  
Night after night I wake up shaking  
'Cause my world is breaking  
I'm fool enough to fail again  
Night after night I wake up crying  
'Cause I feel like dying  
Time after time I lose again  
Night after night I wake up shaking  
'Cause my world is breaking  
I'm fool enough to fail again  
Night after night I wake up crying

'Cause I feel like dying  
Time after time I lose again  
Night after night I wake up shaking  
'Cause my world is breaking  
I'm fool enough to fail again  
(Fool enough to fail again)  
Night after night I wake up crying  
'Cause I feel like dying
