No fear
No fear

Girl
You lived your life like a sleeping sword
Your time has come
To go deeper

Girl
Your final journey's just begun
Your destiny
Chose the weapon

No fear
Destination darkness
No fear
Destination darkness
No fear

Girl
Rain falls down from the coldest skies
Like poisoned knives
With no mercy

Girl
Close your eyes for the one last time
Sleepless nights
From here to eternity

No fear
Destination darkness
No fear
Destination darkness
No fear

Destination darkness

Destination darkness

No fear
Destination darkness
No fear

Destination darkness

No fear

Destination darkness

No fear

Destination darkness

No fear
