(Lauri)

She was like April sky
Sunrise in her eyes
Child of light
Shining star
Fire in her heart

Bright as day
Melting snow
Breaking through the chill
October and April

(Anette)

He was like frozen sky
In October night
Darkest cloud
Endless storm
Raining from his heart

Coldest snow
Deepest thrill
Tearing down his will
October and April

(Both)

Like hate and love
Worlds apart
This fatal love was like poison right from the start

Like light and dark

Worlds apart
This fatal love was like poison right from the start

(Lauri)

We were like loaded guns
Sacrificed our lives

(Anette)

We were like love undone
Craving to entwine

(Both)
Fatal torch
Final thrill
Love was 'bout to kill
October and April

Like hate and love
Worlds apart
This fatal love was like poison right from the start

Like light and dark
Worlds apart
This fatal love was like poison right from the start

October and April
