It's time to leave, this party's boring  
I'd rather be alone with you  
I found a place where we can go  
Just the two of us will know  
'Cause there's some things I'd like to do  
Ooo, I want to

Woo you all night on the beach  
'Cause we got all summer to learn how to love  
On the beach

They don't expect us 'til tomorrow  
I'll have us back again by two  
We'll take the car and slip away  
There'll be no one there to say  
Just what we should and shouldn't do  
Ooo, I want to  
Oh, I want to

Woo you all night on the beach  
'Cause we got all summer to learn how to love

On the beach (on the beach)  
I've waited so long to be there  
We'll take the highway, just outside the city  
'Cause the night's young and you're so pretty, yeah  
Ooo, I wanna... ooo, I wanna... oh, I wanna

Woo you all night on the beach  
'Cause we got all summer to learn how to love  
On the beach
