OPEN MY EYES

Fear is like a tree
That grows inside of me silently
And you could be my blood
And be a part of me secretly

I've lost a war
I've lost a fight
I've killed a man
Wasted a life

(Chorus)
Open my eyes, let me see you
And blow this blinding darkness away
Open my eyes, let me find you
Give me a sign

Hate is like a ghost
That lives inside of me, I plead
For you to be my guide
To be the beater of my need

I've lost a war
I've lost a fight
I've killed a man
Wasted a life

(Chorus)

Open my eyes, let me see you
And blow this blinding darkness away
Open my eyes, let me find you
Give me a sign

Take my word and fold me in
Free the soul behind the sin
The endless dark could mean the death of my senses
Take my heart and hold it in
Kill the beast under my skin
The endless dark will be the death of my senses

Open my eyes, let me see you
And blow this blinding darkness away
Open my eyes...

Open my eyes, let me see you
And blow this blinding darkness away
Open my eyes...
