Yeah, yeah, yeah, yeah, yeah, yeah  
As you might know my father is a rich man  
His father was rich, I'm gonna be a rich man too, so  
yeah  
Right now, my job is to have fun but whatever I want  
Just be with my girl, it's such fun, you know?

I guess you don't, 'cuz your daddy ain't driving a Rolls  
Royce  
And your family ain't famous after all  
I flush my money down the toilet, if it is the best choice  
Nothing is my problem see

I don't have to pay my bills, right?  
I don't have to get a job  
I don't have to train my skills, right?  
'Cuz I will never be poor

Yeah, what would you do, if you had my money?  
You wouldn't go to school, you wouldn't get a job, like  
me  
You'd just hang around  
You would go to the parties where all the rich people  
meet  
Where the people are having fun, yeah, such fun, you  
know

I guess, you don't 'cuz your daddy ain't driving a Rolls  
Royce  
And your family ain't famous after all  
I flush my money down the toilet, if it is the best choice  
Nothing is my problem see

I don't have to pay my bills, right?  
I don't have to get a job  
I don't have to train my skills, right?  
'Cuz I will never be poor

I don't have to pay my bills, right?  
I don't have to get a job  
I don't have to train my skills, right?  
'Cuz I will never be poor

(Yeah, yeah, yeah)

I don't have to pay my bills, right?

(Don't have to pay my bills, right?)

I don't have to get a job

(Have to get a job)

I don't have to train my skills, right?

(Have to train my skills, right?)

'Cuz I will never be poor
