Tonight we escape  
Just you and me  
We'll find our peace  
Somewhere across the seas

Enough of the fright, enough of the fuss  
I'll be awake if he finds us  
Needless to say, I'll stand in your way  
I will protect you and I

I'll take the shot for you  
I'll be the shield for you  
Needless to say  
I'll stand in your way

I'll take the shot for you  
I'll give my life for you  
I'll make it stop  
I'll take the shot for you, for you

Tonight we'll be free  
I'll find us a home  
Tonight we will be  
Finally on our own

Enough of the hell, enough of the pain  
I won't let him touch you, I love you  
Needless to say, I'll stand in your way  
I will defend you and I

I'll take the shot for you  
I'll be the shield for you  
Needless to say  
I'll stand in your way

I'll take the shot for you  
I'll give my life for you  
I'll make it stop  
I'll take the shot, for you, for you

Enough of the scars, enough broken hearts  
I will protect you and I

I'll take the shot for you  
I'll be the shield for you  
Needless to say  
I'll stand in your way

I'll take the shot for you  
I'll give my life for you  
I'll make it stop  
I'll take the shot

I'll take the shot  
I'll make it stop  
I'll make it stop  
I'll take the shot
