There you come again, I see you're having
Your everlasting smile on your face like now an' then
I cannot hide, I cannot fight, I cannot go
You know, you know, you know, hey, do you know?

That you do not have to entertain anybody, that you
Do not have to entertain my cat if you don't want that
Yeah, it seems that you don't know that you're twisted
By your nature, that's the reason I hate ya, yeah

I'm gone, I can't stay another day
Roll my mind, hold my hands up in the air
I'm gone, I can't stay another day
Roll my mind, hold my hands up in the air

I'm gone, I can't stay another day
Roll my mind, hold my hands up in the air
I'm gone, I can't stay another day
So, I'm gonna get away now, yeah

So here it comes now, a couple of hard words
Yeah, yeah, I know this hurts but I'm so, so happy
'Cos you, oh yes, yes, you do really deserve this
Shed a tear when you want me to stop

So many times you have made people cry
So many lies, why I'm asking, I'm the one
Who will say, "Hey get out of my way
Because you're twisted", oh yes you are

I'm gone, I can't stay another day
Roll my mind, hold my hands up in the air
I'm gone, I can't stay another day
Roll my mind, hold my hands up in the air

I'm gone, I can't stay another day
Roll my mind, hold my hands up in the air
I'm gone, I can't stay another day
I'm gonna get away now, yeah
I'm gonna get away now, yeah

I'm gone, I can't stay another day

Roll my mind, hold my hands up in the air
I'm gone, I can't stay another day
Roll my mind, hold my hands up in the air

I'm gone, I can't stay another day
Roll my mind, hold my hands up in the air
I'm gone, I can't stay another day
I'm gonna get away now, yeah
I'm gonna get away now, yeah
