Yeah, yeah, yeah, yeah

She drinks the blood of the dinosaurs
To get her powers back, to make her boyfriend
understand
That things are not what they used to be
She doesn't have a plan to make her boyfriend
understand

Through the gates of insanity, on the edge of humanity
She's gonna make her dreams come true
Through the gates of insanity, on the edge of humanity
She's gonna make her dreams come true

And that she belongs to someone else
And that she belongs to someone else
Yeah, yeah, yeah, to somebody else
To someone else, to somebody else

She's found something to die for, something to fight
for
Someone to show her the way
She's found someone to cry for, someone to lie for
Heart full of blood of the dinosaurs

And that she belongs to someone else
And that she belongs to someone else
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
To somebody else, to someone else

To somebody else, to someone else
To somebody else, to somebody else
To somebody else
