I'm lost, I'm alone
I wish I had a bone
Long 'n' wide white you know, what I'm talking about
Just a fine bite

I wish I had a home
To cover me at night, yeah
I make a wish again that it would be summertime
I'd be fine
I I I I

Any other time I'm fine in the morning
I can hear the winter's crawling
I wish another time that it would be summertime
I can see that leaves are falling

Any other time I'm fine in the morning
I can hear the winter's crawling
I wish another time that it would be summertime
I can see that leaves are falling

Yeah
Sophia
Sophia

I wish I had a life
Oh yes, I'm gonna fight
Though I got fleas, you know
I wanna be a part of your life

I wish I was fine
I'm living like a mutt
Though I got fleas I know
I'm not waisting my time
I I I I

Any other time I'm fine in the morning
I can hear the winter's crawling
I wish another time that it would be summertime
I can see that leaves are falling

Any other time I'm fine in the morning

I can hear the winter's crawling
I wish another time that it would be summertime
I can see that leaves are falling

Yeah
Sophia
Sophia
Sophia

Don't loose me, hey Sophia choose me
Don't loose me, hey Sophia choose me
Don't loose me, hey Sophia choose me
Don't loose me, hey Sophia choose me
Don't loose me, hey Sophia choose me
Don't loose me, hey Sophia choose me
