Come on  
Fear of the dark tears me apart  
Won't leave me alone and time keeps running out  
Just one more life, I'm so sick and tired  
Of singin' the blues, I should turn my life around  
Come on

Tell me why do I feel this way?  
All my life I am standing through the borderline  
Too many bridges burned, too many lies I've heard  
Had a life but I can't go back  
I can't do that, it will never be the same again  
And I know I don't have any time to burn

Come on  
They follow me home  
Disturbing my sleep  
But I've found a place, a place where they cannot find me  
Maybe I'm lost and maybe I'm scared  
But too many times I've closed the doors behind me

Tell me why do I feel this way?  
All my life I've been standing through the borderline  
Too many bridges burned, too many lies I've heard  
Had a life but I can't go back  
Can't do that, it will never be the same again  
And I know I don't have any time to burn

Leave it all behind  
Cross the borderline  
Face the truth, don't have any time to  
Have any time to burn

Tell me why do I feel this way?  
All my life I've been standing through the borderline  
Too many bridges burned, too many lies I've heard  
Had a life but I can't go back  
Can't do that, Never be the same again  
Gotta go 'cause I know I don't have any time to burn

Tell me why do I feel this way?

All my life I've been standing through the borderline  
Too many bridges burned, too many lies I've heard  
Had a life but I can't go back  
Can't do that, it will never be the same again  
And I know I don't have any time to, have any time to  
burn  
Go on!
