I'm made of hair and bone and little teeth
I come on like a crippled plaything
And think I cannot speak
I wrapped our love in all this foil
My spine is just a string
I never wanted it to ever spoil
But flies will lay there eggs.
Silver tight like spider legs
Take your hatred out on me
Make your victim my neck
I am your tourniquette
You never ever believed in me

Prosthetic synthesis and butterfly
Sealed up with virgin stitch.
If it hurts baby please don't cry

Preserve my innocence
Take your hatred out on me
I never wanted it end this way
Make your victim my neck
But flies will lay there eggs
I am your tourniquette
You never ever believed in me
What I needed

What I wanted
I tried to get for me
Nothing wanted
Nothing needed
No one comes for free

Make your victim my neck
Take your hatred out on me
I am your tourniquette
You never ever believed in me
You never ever believed in me
You never ever believed
You never ever believed in me
You never ever believed

This song was originally performed by Marilyn Manson
