If you don't wanna call it a home  
Is it better to be on your own?  
Is it better to start over new?  
Honestly I don't know what to do

How can I reach you I'm not even close to you?  
You don't see me  
How I touch you the way I'm supposed to do?  
You don't see me  
How can I tell you that I'm still in love with you?  
You don't see me

I can't deny it the damage is done  
And the innocent moment is gone  
Is it better to hide it from you?  
Honestly I don't know what to do

How can I reach you I'm not even close to you?  
You don't see me  
How I touch you the way I'm supposed to do?  
You don't see me  
How can I tell you that I'm still in love with you?  
You don't see me at all  
You don't see me

Ancient signals  
Wake me up  
It's over  
But maybe it's better  
It's better

How can I reach you I'm not even close to you?  
You don't see me  
How I touch you the way I'm supposed to do?  
You don't see me  
I wanna welcome the end of the world with you  
You don't see me  
And I'm gonna stand by your side and go down with  
you  
You don't see me  
I'm gonna show me that I'm still in love with you

You don't see me

If you don't wanna call it a home  
Is better to be on your own?
