Do you know who I am  
do you have a clue?  
I'm that schoolboy  
from your mind you did excuse  
Am I a bad boy tell me I'm a bad boy  
bad to the bone.  
I'm that little schoolboy  
you did not condone

Chorus:  
But it's my way  
of being right

I've set my lifeboat in the row  
and i'm set to sail  
But somehow only mine has  
mine has lost it's air  
I'm the one who made you  
I'm the one who'll brake you  
If my fate's to drown here  
I will drag you down with me

I had a dog once  
and he never ever barked  
One testicle one kidney  
No he barely walked!  
I have never spoken of this  
till this day  
I don't know why  
Maybe I had nothing to say
