He lives under the banyon tree

When I'm in trouble, he helps me

I hear him creep through the leaves at night
His flesh is pink, but his fur is bright snow white!

No meat, no bread
Get inside his little head
''cause he's the possum of the grotto

Possum of the grotto
Alkalize or die
Don't complain about humidity

If the yard is damp, that is where he'll be

Don't be racist against this albino

I have kissed his lips and seen his red eyes shine, oh!
Get inside his little head
''cause he's the possum of the grotto
Prophet of vibrato
Alkilize or die
Cheek to cheek

Don't be shy
Alkilize or die
Beast to beast

Eye to eye

Alkilize or die
No meat, no bread
Possum of the grotto
Possum of the grotto

Alkalize or die
''cause he's the possum of the grotto

Prophet of vibrato
Alkilize or die
