It's been a long time since I Rock and Rolled
let me get it back
It's been a long time since I did the Stroll
Oh let me get it back
Let me get it back, baby, where I come from
Oh Lord
It's been a long time
been a long time
Been a long lonely, lonely, lonely, lonely, lonely time
It's been a long time since I spoke of love
Yes it has
Carry me back
Many many tears of a life with no love
carry me back
Carry me back, baby, where I come from
It's been a long time
been a long time,
Seems so long since we walked in the moonlight
Been a long lonely, lonely, lonely, lonely, lonely time
Oh Lord
Oh yea
Making vows that just can't work right
Open your arms, baby, let my love come running in
It's been a long time
Open your arms
open your arms,
Been a long lonely, lonely, lonely, lonely, lonely time
been a long time
