What did you see today?

Yeah, I saw a skeleton  
Banging his head on a tombstone  
In the cemetery  
The sun was out  
It was weird I gotta say

What did you do today?

I asked the skeleton  
I said, hey, why are you  
Banging your head in that way  
A tombstone in the cemetery  
On such a lovely day?

He said he climbed out  
When the sun came up at dawn  
He just wanna see  
What the heck was going on  
In the sunshine  
In the graveyard  
All down the hillside  
All over the planet

In the sunshine  
In the graveyard  
All down the hillside  
All over the planet

Who did you meet today?

I met a very special skeleton  
He had a lot of curiosity  
About the living world  
But that's all that I will say today
