Lee 7abebeeeeewhy baby?

my heart imagined things and then i surrounded and i sent letters

why baby?

he's the one that comes to me ,he comes to me ,i have nothing to do with it

he's the one that comes to me ,he comes to me ,i have nothing to do with it

i'm waiting for him to send his messenger ,i desire that he say what's in his mind

he's the one that comes to me ,he comes to me ,i have nothing to do with it

he awakened me for two years instead of two days

who's my heart's lover ,who?,he's beautiful but where is he?
