Go on home British soldiers go on home,
Have you got no fucking homes of your own?
For eight hundred years we've fought you without
fearAnd
we will fight you for eight hundred more.
If you stay British soldiers,
if you stayYou'll never ever beat the IRAThe fourteen
men in Derry are the last that you will burySo take
a tip and leave us while you may.
Go on home British soldiers go on home,
Have you got no fucking homes of your own?
For eight hundred years we've fought you without
fearAnd
we will fight you for eight hundred more.
No! We're not British, we're not Saxon,
we're not EnglishWe're Irish! and proud we are to
be!So fuck your Union Jack we want our country
backWe
want to see old Ireland free once more.
Go on home British soldiers go on home,
Have you got no fucking homes of your own?
For eight hundred years we've fought you without
fearAnd
we will fight you for eight hundred more.
(x2)Well, we're fighting British soldiers for the
causeWe'll
never bow to soldiers becauseThroughout our history
we were born to be freeSo get out British bastards
leave us be.Go on home British soldiers go on home,
Have you got no fuck'in homes of your own?
For eight hundred years we've fought you without
fearAnd
we will fight you for eight hundred more.(x2)
