"Aim"

People takin aim while you're busy with things to do
Careful what you say
Cuz they'll start taking aim at you
Some folks call it home and some others are just
passing through
People taking aim while you're busy with things to do

Well you drew down the line
And you told me to choose a side
I just wish everybody could enjoy this ride
People taking aim while I'm busy with things to do
I turned my head a second and they start taking aim at
you

Well I don't know why
But I swear I've been here before
Maybe sittin in the corner or
Passed out on the floor
People taking aim while I'm busy with things to do
Careful what you say
Cuz they'll start taking aim at you
