To me that's news
So hey what's new?
As far as I go,
It usually is.

I wish that I
Could make up a lie
And say that I know
Everything is alright

Well we wait and see
Someday it just might be
For all I know
It already is

To me that's news
So hey what's new?
As far as I go,
It usually is.

The deepest blue
I can't see through
For the icy road
That lays ahead

I wish that I
Could truthfully lie
And say that I know
Everything is alright
