step up to the passline
come on and make your bets
you think you know so much honey
you aint seen nothing yet
the way you turn your back on things
now you must lie in your bed
the way you turn your back on things
i wont soon forget

cause i cant see anymore of me taken part in this sad
sad deal
as they say what will be will be this time has never felt
so real

step up to the passline
come on and make your bets
you think you got a lock on so much money
you aint won nothing yet
this bed shes yours to lie in
now that youve made your bets
the way you turn your back on things i wont soo forget

cause i cant see anymore of me taken part in this sad
sad deal
as they say what will be will be
wouldnt you agree this time has never felt so real
