"Thinking Those Thoughts"

It's time to find my mind
I trip and fall
We've all been here before, once more
I'm slippin thru, Leave you be-
Hind all the matter
Sit with the madhatter
Take tea with the mouse
Bust out all the windows

I'm losing my mind, I'm losing my mind

My wallet and change, car keys
Can't seem to locate these
Thoughts that are eluding
My mind is confusing me
Intensity my sight
Don't pet the dog
Might bite
Foam at the mouth
Lose sight

That funkng dog just might die

I'm losing my mind, I'm losing my mind
