(S.DAY A.POLIN)

It makes me feel so sad when you say those things to
me,
To think our loves lost gone for eternity.
It makes me feel so sad, it makes feel so cold.
Our love had been so right and now it seems so wrong.
It's over, It's over, It's time to start again
It's over, It's over, time to make a mends.
It's over, It's over, this is the end.
When I look at you, I feel O so sad,
When I think of all the thing we've never shared.
I always thought that we could live it to the end.
but then I knew that out of love it had to end.
It's over, It's over, It's time to start again
It's over, It's over, time to make a mends.
It's over, It's over, this is the end.
Then just to be with you makes everything seem right,
and just to have you near and hold you through the
night,
It's gone wrong again and I hope that we can mend.
but I'm afraid this time it's gonna have to end...
It's over, It's over, It's time to start again
It's over, It's over, this is the end.
It's over, It's over, how can I start again ?
