(S.DAY)

I'm not wasting time,  
I'm waiting for you.  
I'm not wasting time,  
I'm waiting here. (\*2)  
Every time I'm with you  
I feel Happy.  
Then at times,  
I just don't think you care.  
Never know I'm realy there.  
Turn me on and off,  
you drive me crazy.  
Turn me on and off,  
now disappear. (\*2)  
Every time I'm with you  
I feel Happy.  
Then at times,  
I just don't think you care.  
You never know I'm realy there.  
Never realy there.
